

## **St. Moritz Ice Skating Club**

### **Guidelines for Trial Judge or Other Officials' Training Support**

Because we recognize how essential a strong community of officials is to any club, the Board of Directors of the St. Moritz Ice Skating Club is pleased to make available grant applications for the partial reimbursement of expenses incurred in trial judging or training for test and competition appointments. Following are *maximum* figures that the St. Moritz Ice Skating Club will accept in applications for trial judge or training reimbursement. You are welcome to apply for the maximum amount if your expenses meet or exceed that figure, but bear in mind that depending on the club's current fiscal situation, it may not be in our power to grant the full amount listed here.

We welcome applications from trial judges seeking appointments in all disciplines and for those training as officials in other areas (e.g., technical panel, accounting, music, announcing). If you are an official at a competition and also trialing or training, your expenses should be covered by the LOC. (In the unlikely event that you are charged some sort of fee even though judging officially, please include a letter to that effect from a member of the competition LOC along with your grant application.) Please submit only one application for each competition, even if you will be trialing for multiple appointments. You may, however, submit more than one application per competition season. And, remember to include your receipts or copies of receipts (or, in the case of mileage, precise mileage figures).

#### **Maximum Grant Amounts**

Non-Qual, Regional or Sectional competitions held in northern California:	\$100
Non-Qual, Regional or Sectional competitions held in southern California:	\$175
Non-Qual, Regional or Sectional competitions held outside California:	\$300
U.S. National Championships:	To be determined individually <sup>1</sup>
Schools/Seminars outside Northern California:	\$200
Mileage reimbursement for test sessions or schools/seminars, +50 miles in distance	Current IRS rate

**Return form to:**

St. Moritz ISC, Board of Directors  
P.O. Box 72452  
Oakland, CA 94612  
  
(or give to any Board member)

---

<sup>1</sup> Please contact a member of the Board of Directors as soon as you are approved to trial judge.
