

**St. Moritz Ice Skating Club, Inc.
2017 Election of Board of Directors
Statements of Candidates**

<p>Scott Davis</p> 	<p>Scott Davis came to the ice in 2014 at age 54, just to not fall when taking his grandnieces to the seasonal holiday rinks. Then he was slowly infected with the bug that changed his world. Each time a goal was met, he wasn't ready to stop. Little did he know that skating would become a huge part of his life. His debut competition was at Skate St. Moritz in 2016. He serves as a delegate to CCIA. His passion is to get more adults onto the ice.</p>
<p>Jean Fahmie</p> 	<p>I have been a member of the St Moritz Club for more than 40 years and I hope to continue to serve the Club as a member of the board. It is also my hope that all of you will support the Club by becoming or continuing to be a volunteer.</p> <p>My duties for St. Moritz have included being the President, Vice President, Secretary, membership chair, office manager, CCIA delegate, Governing Council delegate, co-chair of the Bay Cities synchro competition, and special-skater volunteer. For US Figure Skating, I am a sectional accountant and technical accountant, have served on the Membership Committee and as the Chair of the Special Olympics/Therapeutic Skating Committee.</p> <p>Since I started skating at age 5, I have been a free skater, ice dancer, coach, synchro team manager and a competitor in synchronized skating, adult singles, and ice dance. With your support, I will use my background in skating and the Club to represent the wide variety of interests of our membership.</p>
<p>Juliet Gee</p> 	<p>I am a parent of a special needs skater, Aimee Gee. She has been skating since 2009 through the St. Moritz special skater class on Fridays. She has competed in Skate St. Moritz and various ISI competitions. Skating brought self-confidence to Aimee and I am interested in seeing that skating remains accessible to all individuals with disabilities. I work as a juvenile delinquency defense attorney and previously served on several nonprofit boards in the bay area.</p>

**St. Moritz Ice Skating Club, Inc.
2015 Election of Board of Directors
Statements of Candidates**

<p>Charlene Lambros</p> 	<p>I have been skating for almost forty years, primarily as a synchronized skater. I am a USFS Gold Medalist in Adult Moves in the Field, a two-time national champion in synchronized skating, and an international competitor in synchronized skating. I have competed at most synchronized levels Juvenile through Masters. I am currently coaching both SMISC adult synchro teams (IceSymmetrics and Cold Fusion) and working on my pre-gold dances. I am a member of the Professional Skaters Association (PSA) and a USFS compliant coach.</p> <p>I first joined St Moritz in 2001 when I became a member of the IceSymmetrics Adult Synchro team. Over the years, I have skated at Berkeley, Oakland, and Dublin. In the past, I have enjoyed volunteering at Skate St Moritz.</p> <p>I believe figure skating is a lifetime sport. Skating and synchro in particular, has brought me so much joy. It teaches valuable life lessons such as perseverance, goal setting, teamwork, and how to deal with disappointment. As a board member, I would like to promote skating activities that keep kids on the ice throughout their teenage and young adult years such as synchro, theatre on ice, collegiate skating, and adult skating.</p> <p>Away from the ice, I live in Walnut Creek with my husband, 11 year old son, two cats, and a dog. I have a Bachelor of Science in Nursing from Case Western Reserve University in Cleveland, Ohio, and a Master of Science in Nursing Informatics from the University of California, San Francisco. I work for Kaiser Permanente as a Nursing Informatics Specialist. I grew up in Cleveland, Ohio where I called the Garfield Hts Figure Skating Club home. I have lived in the Bay Area since 1998.</p>
<p>Lynn Smith</p> 	<p>I have been a proud member of the St. Moritz ISC nearly my entire life. I could not have achieved the success I've had throughout my competitive and coaching careers without the support of this club.</p> <p>I've volunteered to represent our club at a handful of the annual Governing Council Meetings, I thoroughly enjoyed being a part of the voting process that changes rules and elects United States Figure Skating's leaders. I have been a voting member of the Competitions Committee for USFS for nearly a decade, which also affects changes to the rules and direction of our sport.</p> <p>I now have the opportunity to give back to the club. I hope my many years of skating experience will provide insight to our board, I'd like to see the club and its members maintain the prestige held in our community and nation for over 75 years.</p>
