

St. Moritz ISC Board of Directors Candidates

2026-2028 Term

Lisa Erle

I am a long-time member of St. Moritz ISC. I joined as a skater when I was 8 years old. I tested, competed, and participated in shows with the club over a ten-year period. I also volunteered to assist with activities and events sponsored by the club during that time.

When my competitive skating activities concluded, I began judging. I am currently a National Judge and Referee for singles/pairs and showcase. I continue to assist with the planning and organization of club-hosted competitions and events.

I have been a member of the Board for the past 24 years, serving as President, Vice President, and Treasurer during my tenure. I have enjoyed working with my fellow Board members and would be honored to continue serving the club in this capacity.

Carol Miranda

I am an adult ice dancer and have been a member of St. Moritz ISC since 1991. I began my skating career as a teenager competing in figures and freestyle. When I first saw ice dancing, I promised myself that someday that is what I would do. Now I am living my dream every day I am on the ice.

Since 1991, I have served on the St. Moritz ISC Board of Directors several times. I am a past and current Dance Test Chair. My volunteer involvement with Skate St. Moritz began in the 20th century when I was recruited to manage the trial judge paperwork. From that day forward, I have participated in Skate St. Moritz in one capacity or another. For the past seven years, I have co-chaired this event with Lisa Erle.

During that time, it has been my great pleasure to meet many of you, both junior and senior members, while volunteering at Skate St. Moritz. I also created tutorial slideshows for every volunteer position.

Lastly, I hold a U.S. Figure Skating Announcer appointment. I have served as chief announcer for Skate St. Moritz for many years, as well as for most local competitions throughout the greater Bay Area.

With my experience as a skater, volunteer, and official, I will bring dedication and a broad perspective to our Board of Directors.

Christy Ness

After competing for St. Moritz ISC for over 10 years and then going on to UC Berkeley, I began my coaching career while a student there. When I graduated, I found that I enjoyed helping skaters reach their potential and discover the joy of skating! I coached at Berkeley Iceland, Ice Capades at Fashion Island Mall, and then at the Royal Glenora Club in Edmonton, Alberta, after marrying my husband, Andrew, who had established his medical practice there.

In 1995, we moved back to the Bay Area when I was asked to serve as Director at Oakland Ice Center. I now do consulting work with both coaches and skaters, as I have never lost my love for skating. I have served on the Board for two terms and would like to continue to help the Club move forward.

I would like to see more educational opportunities for parents to help them understand what is needed to develop a healthy and successful skater, as well as the basic "ins and outs" of skating and competitions. St. Moritz ISC makes a lot of effort to support its skaters of all ages and disciplines, and we look forward to participation from both skaters and their parents to make it successful.

Anna Thomason

Hello St. Moritz ISC community,

My name is Anna Thomason. I have been a part of St. Moritz ISC for the past ten years. I am deeply devoted to this community and its skaters. Oakland Ice Center is my home rink, where I train, coach, and play hockey. I have previously served on the Junior Board and helped coordinate events such as our summer clinics and St. Moritz galas.

My vision for this club is to provide greater recognition for our skaters and foster a strong sense of community that all members are proud to call home. I look forward to being your representative.
